START

Call / chat

Our Spark Driver™ support bot is available 24/7 to answer your questions. To access the support bot, go to *Help*, and press **CHAT NOW** under *Contact Driver Support*.

You can also contact Driver Support seven days a week (from 5:00 AM – 11:59 PM Central Time) by calling (855) 743-0457.

Note: While chatting with the Spark Driver support bot, you may see the option to escalate to a chat agent. You can now send images to the agent by tapping the camera icon next to the keyboard and selecting your desired image.
