Overview

After your friend makes five trips in any zone with incentive eligibility dates, both of you will receive the incentive.

Earn extra when you share your side of the street with a friend! After your friend makes five trips in any zone with incentive eligibility dates, both of you will receive the incentive.

NEXT

Eligibility

Drivers can start making referrals after just five trips. The driver you refer needs to complete at least five trips in the same zone during the incentive period. Having the driver you refer complete five or more trips in their zone unlocks the incentive for you.

Referral tips

If you'd like to refer a friend, you can:

1. Open the Spark Driver™ app:
 - On iOS, press **More** in the bottom-right, and then press **Refer & Earn** from the navigation menu.
 - On Android, press **Refer & Earn** from the hamburger menu. The *Refer & Earn* screen displays.
2. Press **COPY CODE** to save the referral code.
3. Press **SHARE CODE** to send it to your friends.
